TERMS OF REFERENCE

APPOINTMENT OF A COMPETENT SERVICE PROVIDER TO PROVIDE IDENTITY VERIFICATION SERVICES.

1. INTRODUCTION

The Media, Information and Communication Technologies Sector Education and Training Authority (MICT SETA) is a public entity established in terms of Section 9(1) of the Skills Development Act (Act No. 97 of 1998). The MICT SETA plays a pivotal role in achieving South Africa's skills development and economic growth within the 5 distinct sub-sectors it operates in, i.e., Advertising, Film and Electronic Media, Electronics, Information Technology, and Telecommunications.

2. BACKGROUND

The MICT SETA intends to modernise its value chain by introducing technology solutions that improve management and processing of its data and information in an efficient and effective manner, improve accuracy in its data and information, provide instant and accurate reporting, and reduce manual processes in its value chain. The lack of adequate infrastructure has a negative effect on the organisation's ability to provide specific focused services in line with its Value on customer centricity.

In line with the vision of the MICT SETA of "cutting-edge future skills", the MICT SETA intends to improve the quality of its data and information through an identity verification solution on its programmes and projects data and information collected in line with the provisions of the Skills Development Act.

The MICT SETA is looking to appoint a suitably experienced service provider with the necessary expertise to render the service to perform online learner identity verification through the MICT SETA Integrated Learner Management System (ILMS).

3. PURPOSE

To invite service providers with the necessary expertise and experience to submit proposals for the provision of online identity verifications services for the MICT SETA.

4. PROJECT OBJECTIVES

Below is the scope of the project:

- a) Online verification of identify number (individual and bulk) of learners' records.
- b) Matching of learner details (name and surname) to the ID number

- b) Provide a report of learner status, matching of ID number with names and per the records of the NPR.
- c) Use an API integration tool to report back on the learner records / status.
- d) It is estimated that an initial bulk learner verification of +/- 25 000 upon commencement of the project. Thereafter, learner data must be verified as and when captured on the ILMS.

5.2. Service Provider Proposal

The service provider is required to submit a proposal detailing how they will address the requirements of this RFQ document.

5.3. Duties of the MICT SETA (ILMS)

- ILMS will use an API to send ID numbers to the appointed service provider for verification with Home Affairs.
- ILMS will store a verified ID numbers and its statuses.

5.4. ILMS Technologies

The detailed of the system and API information will be shared with the successful bidder.

5.5. Implementation

The service provider will be required to work with MICT SETA for to enable an integration platform for data exchange required for this project.

5.6. Security

- The service provider must ensure that sensitive data, such as customer information remains confidential. This involves encrypting data both in transit and at rest.
- Use secure protocols like HTTPS, SSL/TLS, and VPNs to protect data during transmission.
- The service provider must conduct regular security audits and vulnerability assessments to identify and address potential security gaps.
- The service provider must implement continuous monitoring and logging to detect and respond to security incidents promptly.

5.7. Integration Availability

The service will be available with an uptime guarantee of 99.9% during each calendar month, excluding scheduled maintenance. This means the integrated system will be operational and accessible 99.9% of the time during the service period.

5.8. Support and Maintenance

- The successful bidders must provide a central point of contact for logging of incidents and telephonic support.
- The successful bidders must offer support from Monday to Friday during MICT SETA business hours.
- The bidder must provide 24/7 support for critical issues that impact system availability or security, available on a case-by-case basis.

6. PROJECT DURATION

The estimated duration for the ID verification system is 12 months, commencing from the project initiation date. The project will be divided into several key phases, each with specific deliverables and milestones to ensure smooth progress and timely completion according to the terms of reference of the MICT SETA, and the service provider proposal and project plan.

- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the **80/20** preference point system.
- b) the **80/20 preference point system** will be applicable in this tender. The lowest/highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to

preferences, in any manner required by the organ of state.

2 DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3 FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\ \\ Ps = 80 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right) & \mathbf{or} & Ps = 90 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right) \end{array}$$

Where:

Ps = Points scored for price of tender under consideration
Pt = Price of tender under consideration
Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT
